Joy-Southfield Community Development Corporation Application for Home Repair

The Joy-Southfield Community Development Corp. relies on grants, donations and volunteers to make the housing initiative possible. Works performed at individual locations are limited by expenses and the scope of experience available through our volunteers. This form is to determine what type of work is needed at your home and is also used as a criteria form to determine priority of work needed.

Joy-Southfield Community Development Corp. does not guarantee selection of your property for work nor does this form promise that all tasks requested will be completed if your home is selected. Ages of volunteers will vary. No one under the age of 18 will be permitted to work without adult supervision. This work is being completed by volunteers so there is no guarantee on workmanship and J-SCDC is not liable for work performed. Work will be selected partially on the qualifications of the available volunteers.

The homeowner or an adult representative must be present while work is being performed. If your home is selected for review, a representative of J-SCDC will contact you to schedule an engineering inspection to determine the scope of the work to be performed. If you agree to the terms of the above statement please sign below and fill out the following application in full:

Please Print Name: _____ Date: _____
