Housing Repair

Do You Need Help Fixing Your Home?

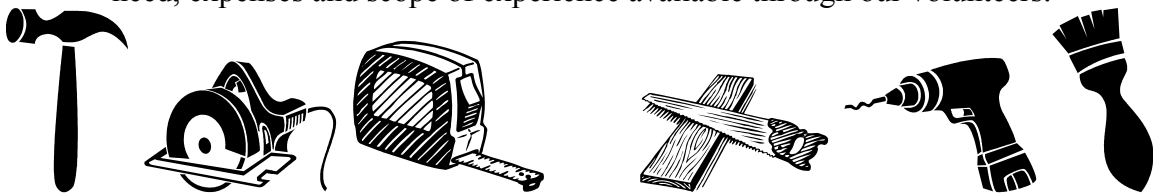

We Want To Help!

We provide on-site financial management education, offer free/low cost home repairs and affordable single family housing. Our goal is neighborhood development through community beautification and education.

If your home is in need of repair please contact:

Rodney Gasaway
1 (313) 581-7773 x104

An application must be completed for repair consideration. J-SCDC selects locations by need, expenses and scope of experience available through our volunteers.
